

Killington Patrollers' School February 4-5, 2012

Registration is required no later than January 30, 2012 For patrollers of all levels, this two day S&T course will help you improve your skiing, riding, and toboggan handling ability. Aside from being a lot of fun, you will come away with a new sense of confidence from working and focusing on the skills that help make you a better patroller. You will enjoy some great skiing, riding and sled training on a wide variety of terrain and snow conditions. This is a great way to boost your skill set, expand your comfort zone, and help you feel more comfortable in virtually every situation on the mountain. Led by experienced patrollers who really know their stuff, you will find this course to be exactly what you'd expect. Planned activities include: A Women's Clinic, Alpine Ski, Snowboard, Telemark, and Toboggan Enhancements, with Senior and Certified Level Training for prospective new candidates. The Killington Patrollers School is a great opportunity; come join us, won't you? The registration fee is \$75 for the two days.
