

## **EASTERN DIVISION SKI AND TOBOGGAN REGION ADVISOR DESCRIPTION AND RESPONSIBILITIES**

A senior patroller who exhibits strong skiing/riding and toboggan skills on more difficult terrain, varying conditions and weather, has completed Instructor Development, is a current Toboggan Instructor (Phase II, S&T) and has successfully passed the trainer evaluator clinic evaluation is eligible for nomination for a Region Advisor.

The region advisor must demonstrate outstanding leadership, good character, a positive attitude for training and evaluation with good judgment. Should lead by example and motivate candidates in all aspects of the ski and toboggan programs by promoting continued self improvement; should provide a non-threatening atmosphere for training and effective feedback. Promote the delivery of S&T programs at the local level to support mountain management. Conduct senior training clinics, senior evaluations and the enhancement programs. Must demonstrate a proven administrative track record including written and communication skills; complete administrative requirements for course completion and as required by policy and procedure.

Implement and maintain division programs according to national and division goals, objectives, policies and procedures as established the board of directors and by working closely with the S&T Program Supervisor.

A region advisor is appointed by the Ski and Toboggan Supervisor with the consultation of their Region Director. Appointment for the Eastern Division Region Advisor is renewable annually.
